

American Association for Wind Engineering – Awards

The AAWE is pleased to offer two awards, one for its student members as well as a distinguished service award.

The Richard Marshall Award and Robert Scanlan Award recognize the contributions to Wind Engineering from two distinguished AAWE Members. They are for a PhD in Wind Engineering awarded from a University in the ‘Americas Region’ of the IAWE.

Conditions of award

1. Applicants must have been awarded a PhD during the 4 years preceding the America’s Conference on Wind Engineering. (For 11ACWE (2009), applicants must have satisfied all graduation requirements by March 1, 2009 or graduated after March 1, 2005.)
2. Applicant’s PhD dissertation must be in a topic related to Wind Engineering.
3. Applicants should be nominated by their supervisor.
4. Applicants should submit a 2 page resume, the names of 2 potential referees and an extended summary of their dissertation (20 pages maximum) and/or a journal paper based on their work.
5. Each award will be accompanied by a certificate and a prize of \$1000.

A Distinguished Service Award is also offered by the AAWE.

Conditions of award

1. Applicants must have been members of AAWE.
2. Applicants should be nominated by a member of AAWE.
3. Nominations should be accompanied by supporting material including: career highlights, brief resume.
4. Applicants must have demonstrated significant contributions to the field of Wind Engineering in the 4 years preceding the America’s Conference on Wind Engineering.
5. Applicants will be evaluated on a variety of criteria including: involvement in AAWE activities, research, consulting, and outreach.
6. The award will be accompanied by a certificate.

Timetable for award

1. The awards will be advertised widely within AAWE.
2. The closing date for applications/nominations will be March 1, 2009.
3. Applications/nominations should be sent to the AAWE Awards Committee Chair
Dr Greg Kopp
