MESSAGE FROM THE ACADEMIC DIRECTOR

We changed our name... now we are Universidad Politécnica de Puerto Rico (UPPR), Orlando Campus. WHY Universidad Politécnica de Puerto Rico?... Because UPPR:

- ✓ Is a leading Engineering University with over 40 years of experience in the Engineering and Business fields
- ✓ The largest private Hispanic engineering college in the US and its territories (20th among all colleges)
- ✓ Has more than 6000 students enrolled
- ✓ Graduates the second largest number of Hispanic engineers in all of the USA and its territories
- ✓ Several Engineering Departments rank among top 20 in enrollment in the USA and its territories
- ✓ Has several collaborative agreements with NASA and the Energy Department

We are part of something big, we are proud and we want everyone to know!

Auristela Mueses, Ph.D. PE

FROM ADMISSIONS OFFICE :

Do you know any friends or family members who are beginning their college search or will be selecting a college to attend in the coming months? We would like to know them, too!

Just have them stop by or call the Admission Office at (407) 677-5661 Ext. 308, 309, and/or 310.

Thanks so much for supporting Polytec-Orlando in this significant way.

THE LIBRARY ANNOUNCE:

Our Library has copies of all of the textbooks that we use in the trimester. They belong to the reserve area. This means that the student can use the textbook only in the Library facilities and make partial copies of them. This way all the students have the opportunity to use them.

We also have five (5) new more computers for the student and Faculty use.

Remember:

Polytec is Wireless!

Our campus has an antenna for the purpose of providing free wireless internet service. If you currently own a laptop and have a wireless card, you will be able to access the internet from any location on campus.

ON CAMPUS :

On October 29 & 30, 2008 we will have Treats for our

students at the Library. Just said:
