Overview

Institutional Characteristics Overview

Welcome to the Institutional Characteristics (IC) component. This component collects important information about your institution's mission, admissions, student services, and student charges.

Much of the data reported on IC appear on College Navigator. Please report data correctly, as College Navigator is only updated one time after IC data have been reviewed, so errors may stay on the website for a full year.

Additionally, the cost of attendance data are used to calculate the net price of attendance in the Student Financial Aid component. This has important implications for what students see about your institution, and also for the College Affordability and Transparency lists.

Remember, it is the responsibility of the keyholder to provide NCES with accurate data about the institution. Please never hesitate to call the IPEDS Help Desk and ask for help to make sure that you are reporting correctly!

Changes to This Year's Institutional Characteristics Component:

- The prior year revision system for Institutional Characteristics is available ONLY for admissions data. Changes to cost can ONLY be made in the Student Financial Aid component.

Reviews of the IC component data indicate a number of places where many people make errors. Please review the common errors listed below to ensure your institution does not make any reporting errors which may affect your institution's appearance to students and others.

- Question 2 should only be marked 'YES' if your institution is EXCLUSIVELY distance education. Do not mark 'YES' if your courses/programs are also available in person.
- Do not try to outsmart fatal errors; this is falsifying data. Contact the Help Desk if you need an override, or fix the data.
- Make sure you understand ALL definitions before responding to questions. For example, understand what it means to be 'OPEN ADMISSION' before indicating whether your institution is or is not 'OPEN ADMISSION' and make sure that you are reporting for an "ACADEMIC YEAR" or "PROGRAM" as defined by IPEDS.

Part A - Mission Statement

Part B - Admissions and Estimated Enrollment

1. Does your institution have an open admission policy for all or most entering first-time degree/certificate-seeking undergraduate-level students?

If the only requirement for admission is a high school diploma or GED/other equivalent, your institution is still considered open admission. Institutions that require only an Ability to Benefit or similar test beyond the diploma/equivalent, and only reject a very small number of students based on the test, are also considered open admission.

If your institution does not have an open admission policy, you will be expected to answer additional questions (B2, B3, and B4) regarding your admissions procedures and admissions yield.

☐ Yes
☐ No

You may use the space below to provide context for the data you've reported above. These context notes will be posted on the College Navigator website, and should be written to be understood by students and parents.
Part B - Estimated Fall Enrollment

Estimated 2013 Fall Enrollment

Provide an early estimate of the institution’s fall enrollment for all levels offered. Levels should match those indicated ‘Yes’ in the IC Header survey. If you made an error in the IC Header survey, please contact the Help Desk.

These data will NOT appear in College Navigator, but will be made available via the IPEDS Data Center.

Estimates should be based on the definitions used in the IPEDS Fall Enrollment component submitted during the spring collection (for academic institutions report an estimate of the students that are/will be enrolled as of October 15, 2013; for program reporter institutions report an estimate of students enrolled in your institution at any time between August 1 and October 31, 2013). Prior year (PY) Fall Enrollment counts are provided for reference.
