### Distance Education Courses

If you selected 'yes' in the previous question, then please complete this section.

Provide: (a) the unduplicated headcount of all students in the most recent prior year (July 1, 2015 - June 30, 2016) who took distance education courses for credit by your institution; and (b) the total number of registrations of all students. The registrations may be duplicated if a student enrolls in more than one course.

Provide an explanation in the Notes context box if this reporting year's total is greater than the prior year and you have significant growth in distance learning enrollment.
