NATIONAL SCIENCE FOUNDATION SCHOLARSHIP FOR SERVICE (NSF-SFS) AT POLYTECHNIC UNIVERSITY OF PUERTO RICO (PUPR) 2016

**Annual Stipends (per student)**

- Bachelor Program (up to two years) $22,500.00
- Combined or joint Bachelors/Master’s program (up to three years):
  - One year as Undergraduate: $22,500.00
  - Plus two years as a Graduate (Masters): $34,000.00
- Master Program (up to two years): $34,000.00

**Tuition and Fees**

The tuition and fees are covered by the CyberCorps Scholarship.

**Annual Allowances (per student)**

- Student Travel and Professional Development Allowance of $4,000.00.
- Health insurance reimbursement allowance of $3,000.00.
- Purchase of textbooks: $2,000.00.

**Summer Internships**

Students must find a summer internship within an appropriate federal government employer. The CyberCorps program and OPM coordinate an annual job fair in January of each year with several participating federal agencies where CyberCorps students are placed into summer internships and permanent employment.

**Service Requirements Upon Graduation**

Students must also commit to one full year of federal employment for each year or partial year of the fellowship.

**Eligibility**

- US Citizen or Permanent Resident
- Age: 18 or older
- GPA: 3.0 (Undergraduate), 3.3 (Graduate)
- Enrolled, accepted, or applied for full time enrollment at PUPR within an undergraduate or graduate major in an area related to computer security and information assurance.

**Application Deadlines**

For Fall 2016, the deadline is May 6, 2016, at 2:00pm.
